

Lengthsman Report:

With growth being restricted due to the dry conditions, cutting has been scaled back allowing other activities to come to the fore. The overhanging branches outside the Telephone exchange have been cut and removed and the pieces of crumbling wall along the Langport road footpath removed. He also cleaned the grips in grove lane leading to Bineham.

Weed control has taken place around the Tennis Courts and around the new build of the Pavilion.

Craig had been asked about the works required to popular trees adjacent to the village hall car park, but feels this is too big a job for him to undertake, so the need to find alternative has arisen. He has supplied spec of what is require to be done to help us going forward.

The tree on the green is still going to be dealt with in the autumn during his nominal working hours.

Gully Emptying.

S & D have returned on the 27th to spend two days root cutting in Knole, Knightlands Lane and outside the school in pipes that are blocked, this is a long a tedious job which involved getting in the stream at Knole, but progress has been made.
